

Harrington PTA Membership Form

2014-2015

The Harrington PTA membership is open to all Harrington families concerned with the education, health, and welfare of the students in our school. Membership is individual but there is a discount for a second member within the same family. One membership provides the family all PTA benefits except voting rights for the second parent.

Membership Dues: The Harrington PTA spends approximately \$85 per child per year on funding classroom enrichment in the arts and sciences (last year over \$12,000 was spent on enrichment alone), providing supplies to the classroom including but not limited to students' home folders, agendas for 4th and 5th graders, and classroom supplies like tissues, wipes and sanitizer, our newsletter, *The Harrington Herald* and the school directory. We ask for a \$25 membership fee, the rest is raised through various fundraisers during the year. When members donate amounts above the membership fee, we are able to lessen our reliance on other forms of fundraising. Please consider writing a check that helps us reach our goal of \$85 per child. All membership donations are tax-deductible and are much appreciated by the Harrington School Community.

Thank you for your contribution and your support!!
