

# **HARRINGTON SCIENCE FAIR ~ 2012**

## **Monday, February 27th**

### **6:30pm - 8:00pm**

**Presenters & Observers Invited**

Come one and all to the science fair,  
There will be lots of fun in the air.  
Go to every station and learn a lot,  
See if your hypothesis is right or not.  
Science is everywhere- just look and see,  
From the smallest seed to the biggest tree.  
Come show us your newest invention,  
A machine for backscratching or homework prevention.  
Can't wait to see you there,  
**COME ON AND JOIN THE SCIENCE FAIR!**

**Project ideas can be found at:**

These websites: [Sciencebuddies.org](http://Sciencebuddies.org); [All-science-projects.com](http://All-science-projects.com); [Sciencefair-projects.org](http://Sciencefair-projects.org);  
[Sciencefairadventure.com](http://Sciencefairadventure.com); [Thehappyscientist.com](http://Thehappyscientist.com);

Cary library: In the children's section under J507.8 and nearby

Harrington library: Ms. Weeks has put aside selected books for the children to take home
