

BIG BACKYARD BASICS

What:

General Big Backyard training especially for volunteers new to the program, and new coordinators and trainers who want a refresher.

The Big Backyard "Basic Training" includes a discussion of the basic principles of environmental science plus an introduction to the philosophy and essential activities of the Big Backyard nature study program. Participants need only bring curiosity, an appreciation for the natural world, and a desire to help children learn about the way the world works. Training for specific grade level walks will take place seasonally at each school.

When:

Tuesday, September 20,

9:30 a.m. - 11:30 a.m. at Central Office

or

7:00 p.m. – 9:00 p.m. at Harrington in the art room

Presenters:

Karen McCarthy, K-5 Science Coordinator, and Fran Ludwig
